What is Eco mark ?

Eco mark is attached on a product which Japan Environment Association (JEA) admitted as contributing to environmental preservation in term of less environmental burden. It is aimed for guiding environmental-friendly products to end-users. The Eco Mark program which the JEA undertakes, is managed in accordance with the standard and principle of ISO. JEA is a member of the non-profit association "Global Ecolabelling Network" and has commenced the mutual recognition with several overseas ecolabelling organizations.

WARNING

1. OLFA BLADES are extremely sharp! Handle with care.
